I agree that by signing this request for utility services I will be responsible for paying all charges that incur on my account. I have been informed that all bills are issued at the beginning of each month and that payment is due in the offices of City Hall no later than the 22nd of each calendar month.

If payment is not received by the close of business on the 22nd, I understand I will be assessed a late charge of 1.5% per month for natural gas services and a late charge of 1.65% per month for water, sewer and garbage services. I understand if I do not make my payments by the due date, I will be issued a late notice which will give me 12 days to pay my past-due balance before my utility services are disconnected.

I hereby agree to pay any collection costs, bank fees or attorney's fees incurred by the City of Everly in the collection of my account. I understand if I do not pay my account on a timely basis, the City of Everly may elect to place a tax lien against my property for unpaid services. Furthermore, I also understand the City of Everly reports delinquent accounts to credit reporting agencies and delinquent payments will be reported for inclusion on my credit report.
